

# KAMLESH GUPTA

Software Developer

kamleshgupta.bk@gmail.com | +91 8052121367 | Kushinagar, Uttar Pradesh

[Linkedin](#) | [Portfolio](#) | [GitHub](#)

## EDUCATION

**Swami Vivekanand Subharti University.**

Bachelor of Computer Applications

CGPA: 7.8

Meerut, Uttar Pradesh.

July 2020 - July 2023

## EXPERIENCE

**SquadMinds Private. Limited. | Software Developer Intern**

Mohali, Punjab. | Feb 2024 - Present

Developed personal projects using React.js, Tailwind CSS and Node.js, with occasional guidance from mentors. Acquired hands-on experience in frontend development while collaborating with mentors to overcome challenges and refine skills in debugging and testing.

## SKILLS

Programming Languages: C Programming, C++ (OPPS), Javascript

Libraries/Frameworks: ReactJs, ExpressJs, Tailwind CSS, NodeJs, HTML, CSS

Tools / Platforms: VS-Code, Postman, Github

Databases: MongoDB, PostgreSQL

## PROJECTS / OPEN-SOURCE

**College Management System**

JAVASCRIPT, PHP, HTML5, CSS3, SQL

Designed a scalable, modular architecture for the college management system to support various functionalities such as student registration, course scheduling, faculty management, Batch, Registration, and fee management.

**Weather App | Link**

Javascript, ReactJs, Tailwind CSS, Open Weather API

Designed and developed the app using JavaScript and frameworks Reactjs, Tailwind CSS.

Integrated APIs from reliable weather data providers OpenWeatherMap for accurate and up-to-date information.

Implemented features such as current weather conditions, 7-day forecasts, severe weather alerts, and user location detection.

**Expense Tracker | Link**

JavaScript, HTML, CSS, (LocalStorage).

Developed a responsive web application using HTML, CSS, and JavaScript for building a modern and user-friendly interface. Dynamic Data Handling (Local Storage). Integrated form validations to ensure accurate input from users. Purpose: Expense Tracker web application provides users with a convenient platform to track their expenses, manage budgets, and analyze spending patterns effectively
